SKILLS

FRONT END	JavaScript, HTML, CSS, LESS, React, Redux, Bootstrap, react-strap, Material-UI, styled-components
BACK END	Node.js, Express.js, MongoDB, Mongoose, mLab, SQL, Knex.js, Authentication

PROJECTS

Mar. 2019 to Apr. 2019

LearnLocker
An app designed to keep track of courses and articles in one place and see what other users are learning.
React | Redux | Grommit | styled-components | Node.js | Express.js | Postgres | Knex.js | Passport.js
- Executed within 5 weeks, on a team of 5 web developers.
- Utilized OAuth integration with Passport.js for user authentication.
- Parsed URL metadata to populate title, description and image.
- Used Udemy and Free Code Camp's API to retrieve data.
- Created functional CRUD routes on the server.
- Set up async data handling on the client with redux-thunk.
- http://learnlocker.dev

Feb. 2019 to Current

Slay All Day
An app where users can search through makeup products across purchasing sites, all in one place.
React | react-router-dom | CSS Grid | Material-UI
- Created a search functionality that filters by name and product type.
- Added specific links to product's websites to make purchases.
- https://sumi-makeup.netlify.com/

July 2018 to Aug. 2018

Lambda Notes
An app that allows a user to create, update and delete their notes.
React | react-router-dom | CSS Grid | styled-components | Node.js | Express.js | Postgres | Knex.js
- Delivered a front end JavaScript application with self-contained, reusable, and testable components.
- Used react-router-dom and can view, post, update, delete notes working with server.
- Deployed a Postgres database hosted on Heroku.
- https://sumi-notes.netlify.com/

EXPERIENCE

Aug. 2018 to Jan. 2019

Lambda School · Teaching Assistant
- Conducted daily code reviews on 8 -10 students projects.
- Lead daily stand-up meetings and weekly one on ones for students.

May 2017 to Dec. 2017

Miswak Dental · Dental Assistant
- Maintained detailed paperwork records, and processed insurance.
- Assisted dentist in all dental procedures from taking X-rays to cleaning and filling cavities for patients.

Aug. 2016 to Mar. 2017

Best Brains · Mathematics Tutor
- Tutored students in K-12 courses, in groups of 4-5, on topics within English and Math.
